AFFIDAVIT PETITION-TO BE DROP AS PARTY OF ABOVE CASE!

I, Petitioner Alvin D. Frazier, Prisoner #379628 swear under penalty of perjury and (28 USC § 1746) that the following is true to the best of my knowledge and belief of my analysis done of laws as stated below:

1 That for me constantly writing Daniel E Manville a professor of Law at MSU Law College P O Box 1570, East Lansing Michigan 48824 And my not getting any responses or any reply to let me know my mail was sent I want to be taken off this above listed case number listed above

2 That since my signing up for to be a party of this Civil Action thats a class action I have found out numerous things In respect the most important reason why prisoners are having such problems with their Dental issues, and myself also To be frank its more than meet the eyes of any free citizens looking from outside views rather than within Michigan prisons, and what the prison many different entities are giving there wards of the State of Michigan to cause these problems To be frank again its not just not getting dental care but what is causing people to need dental care is created by the (MDOC) and has been causing deaths that head officials known about for some time But their still allowing things to be done to prisoners

3 In conclusion for reasons I mentioned above I'm asking Courts & Mr Manville to be taken off this Class Action as a party due to my ignored letters from representation of/by Daniel E Maville not working with me
